Re: Calendar Changes

**January 2, 2012 - No School**

Banyan School was scheduled to be in session on January 2. Many districts, however, are closed on that day and will not be providing transportation. As a result, Banyan School will not be in session.

**February 22, 23, 24, 2012 - School will be in session**

The original calendar indicates that February 22, 23 and 24 are holidays. In order to make up missed snow and flood days, we will be in session. All districts and bus companies will be transporting on February 22, 23, and 24.

Please contact the office with any questions.
