

“Voices in Harmony”

A special event for students and families at Bergen PAC on Sunday, March 29, 2020

Dear Parents/Guardians:

January 21, 2020

For three years now, we have participated in a program called “Voices in Harmony.” This program, held in conjunction with Bergen PAC and other ASAH member schools, provides an opportunity to showcase the musical talents of students in 20 different private Special Education Schools. Bergen PAC opens their venue to us, and provides our students the exciting opportunity to perform on the big stage! We have elected to participate again this year, in order to provide interested students the option of performing. Participation and attendance are entirely voluntary. (Parents are expected to attend with children, and to provide transportation to and from the Bergen PAC in Englewood.)

We would like to invite your child to join this program. The performing students will be singing a song they have been working on with our music teacher, Ms. Mastrolia. Please review the details below and complete the survey form. We ask that you return the form or notify us by **Friday, January 31, 2020**. Further information will be distributed to participating students and families as the program time approaches. There are limited spots available for performers.
